

AP/290

COLOUR

white gloss

SERIES

DIGITAL MEDIA (TRUCK FILM)

PRODUCT USE

Superior quality white gloss Cast Truck film with a high level covering power, specifically manufactured for PVC curtain sided vehicles. Equipped with the exclusive APA-CoITruck/ Ultra-P Plus adhesive, AP/290 has been formulated to weld onto the PVC curtain surface and with it resist the strains they are subjected. Thanks to its high degree of conformability and elasticity the film, when applied, perfectly follows the curtain textures and does not fear rolling up. Excellent coverage and excellent printability with brilliant and defined colors. For a dry application only.
