

EMBLEM Solvent Magic Salt & Pepper Textile 260

EMBLEM Solvent Magic Salt & Pepper Textile is a high opaque polyester fabric for interior design and textile backlit application. It allows excellent colors as a classic frontlit textile with block out function. Typical applications are display systems, rollup banners, trade fair and shop construction, POS, wall decorations and curtains.

Different printers, inks, resolutions and printing qualities result into numerous different printing parameters. In addition, there are numerous factors influencing processing and the application of our materials. For this reason, we cannot make specific statements as to drying times and maximum ink absorption. For this reason, we recommend you to perform own tests in order to verify the desired results. Our product specifications are not to be understood as legally binding guarantees assuring specific characteristics. Any liabilities and guarantees, as well as claims for compensation beyond the value of the product itself are excluded.
