Different printers, inks, resolutions and printing qualities result into numerous different printing parameters. In addition, there are numerous factors influencing processing and the application of our materials. For this reason, we cannot make specific statements as to drying times and maximum ink absorption. For this reason, we recommend you to perform own tests in order to verify the desired results. Our product specifications are not to be understood as legally binding guarantees assuring specific characteristics. Any liabilities and guarantees, as well as claims for compensation beyond the value of the product itself are excluded.

EMBLEM TREND Textil Banner Waterresistant

Description:

TTBWF is a heavy, sturdy polyester material for inkjet prints that can be used as a promotional banner for in- and outdoor-appliances.

It can be printed with all prevalent inkjet printers and inks except for Encad GX; Ilford Archiva and Colorspan EnduraChrome.

This medium is absolutely tear proofed and therefore applicable in many areas.

Processing:

TTBWF is water repellent, stretchable and can be eyed very well.

To avoid fingerprints the use of cotton-gloves is advisable.

Application:

Decoration: Shop Windows/Backdrop

Shop Fitting/Trade Show: Hanging Banner

Textile Printing: Hanging Banner

Outdoor Appliances: Hanging Banner
