Different printers, inks, resolutions and printing qualities result into numerous different printing parameters. In addition, there are numerous factors influencing processing and the application of our materials. For this reason, we cannot make specific statements as to drying times and maximum ink absorption. For this reason, we recommend you to perform own tests in order to verify the desired results. Our product specifications are not to be understood as legally binding guarantees assuring specific characteristics. Any liabilities and guarantees, as well as claims for compensation beyond the value of the product itself are excluded.

EMBLEM TREND Deco Print

Description:

EMBLEM TDP80 is a white drop paper based on non woven and can be printed with common waterbased dye and pigment inks. The structure of the drop paper looks like wash paper. The DROP paper with its dimensional stability is the ideal material to create interior screens like walls, partitions, ceilings. EMBLEM TDP80 is flame retardant according EN 13501 and therefore an ideal solution as indoor decoration.

Processing:

The material can be eyed and sewed. During the finishing you have to ensure that adequate tools are used. Furthermore it is necessary that eyes are placed in a distance which is proportionated to the weight of the banner.

To avoid fingerprints the use of cotton gloves is advised.

Application:

Typical applications for EMBLEM TDP80 are ceilings, walls, partitions, decorations at fair-ground and theatre.
